Just an update on status of Apex Mine sale. I spoke with Alan Wilson of Hecla this morning and he informed me that the pending sale with Pruesaag and Cominco was closed on September 13, 1996. He gave me the contact name and phone number of Cominco in Vancouver, B.C. as follows:

Mr. Walter Kuit, Manager Environmental Affairs (602) 685-3011.

Alan will be meeting with company representatives next week in St. George to go over files, etc. He advised I contact Cominco about scheduling a site inspection next week while I'm also in St. George. He expects we will probably hear from the new owners soon.

A copy of this memo will be sent to the mine file for future reference.
